

720p high-end HD digital Mini Camera

- Easy to use
- Fast Start up
- Up to 2G internal micro TF storage (Maximum)
- Up to 32G external SDHC micro TF card support
- 720p (1280 x 720 30fps) recording with date/time video stamping
- Resolution: 1280 x 720p, 640 x 480o two resolutions for switch
- Mic dual channel input
- High sensitivity sensor

Specification

Sensor	CMOS, 3 Mega pixel
Sensor mode	Color
Sensor size	1/5"
Sensitivity	3 lux
Lens type	Pinhole
Viewing angle	60 deg. horiz.
Optional lens	No
Max video rec quality	1280 x 720p, 640 x 480p two resolutions for switch
Max video rec speed	30 frame/s
Memory type	Micro SD card
Max memory	internal up to 2 GB, external up to 32 GB (SDHC support)
Memory usage	-
Motion detection rec	No
Time stamp	Clock RTC Real time clock build in
Video format	AVI
Compatibility	PC, Mac with conversion software
Audio	Yes
Power	5 V DC, 150 mAh
Power type	Internal battery
Battery type	Internal Li-polymer
Battery life	about 4 hour
Dimension (L x W x H)	78 x 22.5 x 14.5 mm
Weight	25 g
Housing material	plastic
Included items	USB connection / charging cable, power adapter charger, mounting bracket
